These recommendations will supersede those in the original Motion, correct ?
These new recommendations are in lieu of those originally made?

Attached is a draft Council Motion to amend a previous Council action related to a General Plan Amendment for a site proposed for redevelopment with a hotel project in CD-1.

The applicant's representatives and DCP (Lisa Weber, Heather Bleemers of Major Projects Unit) have discussed the matter and concur with the changes and the approach. I haven't yet vetted the draft Motion with DCP staff and can do so if you think it would be helpful.

Otherwise kindly review and edit as appropriate. We will introduce and refer to PLUM Committee, ideally at next Tuesday's or Wednesday's session, if at all possible.

I will forward a draft companion Motion related to initiating a Transient-Occupancy Tax ("TOT") study to John Wickham for his review & editing.

Thanks, ggg
